GRAN TURISMO

893•GRAN TURISMO
Design Inspiration

GRAN TURISMO (GT) originated from a Latin phrase used to express a luxury travel carriage, and refers to the highest–performing supercars nowadays.

By making reference to Lamborghini, Bentley, Ferrari, and other luxurious supercars, the designers of GRAN TURISMO series have extracted the most attractive design language and avant–garde style, and strived to bestow the GRAN TURISMO series with beautiful and charming contours as well as a truly outstanding elegance.

Simple and refined, yet luxurious

Entry Lux Post-modern Style

GRAN TURISMO

With the embellishment of pure hand–woven leather art, as well as the use of multiple precious materials, it advocates the simplicity of gorgeousness.
It’ s comfortable to sit, lie down, or lean on, giving it a sense of modest luxury in a serene environment.

Wall unit A
2200×500×600mm

Entry Lux Post-modern Style

GRAN TURISMO

It does not deliberately pursue luxurious space. Instead, it emphasizes the flexible coordination of color, material and design, so as to create a high–end and elegant living atmosphere in a simple manner.

GRAN TURISMO

It’ s painted with pure hand-polished piano mirror lacquer, and decorated with metal and leather to emit the woody scent of Mexican ebony wood, which seems to solidify time and fix the beautiful moment.

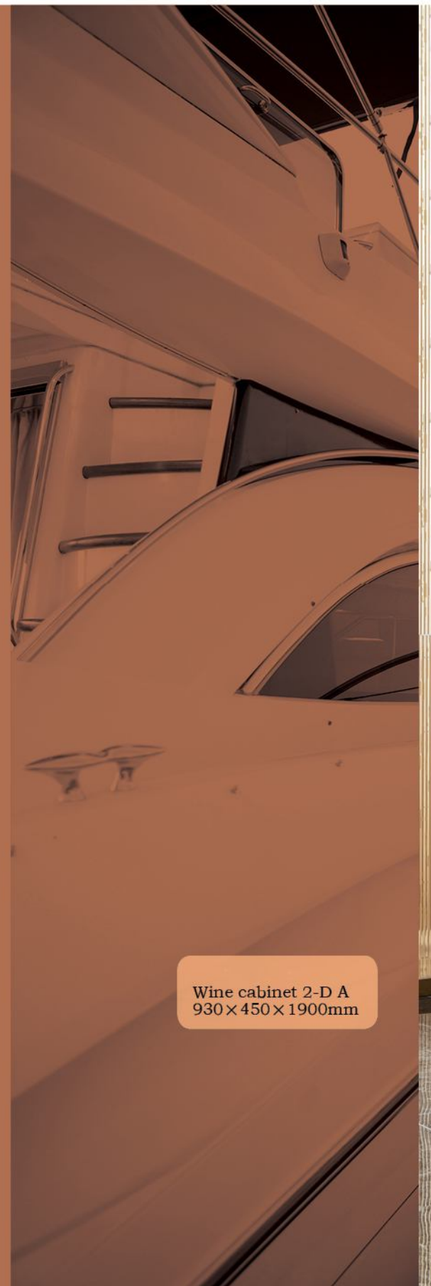

A CORNER OF LIFE

Wine collecting is a form of hobby.
Different people love different types of wine,
be it pungent, sweet, or fragrant.
These are all the tastes of life.
